

**Teaching Positions**

All unplaced teacher candidates are to contact the Placement office before leaving for the summer. They will be requested to leave summer addresses with Miss Doris Robinson, teacher placement director.

**Spartan Daily**

San Jose State College

Vol. 42

SAN JOSE, CALIFORNIA, WEDNESDAY, JUNE 16, 1954

No. 161

**Library Hours**

The Library will observe the following hours for the remainder of the week:

Today, 8 a.m. to 10 p.m.; Tomorrow, 8 a.m. to 5:30 p.m.; and Friday, 8 a.m. to 3 p.m.

**ADMINISTRATION FACES CHANGE****750 Seniors To Graduate at Stadium Friday****Composer To Receive Honorary Music Degree**

Commencement exercises will begin at 4 p.m. Friday in Spartan Stadium where about 750 San Jose State College seniors will receive their degrees.

Among those who will receive degrees will be Carmon Dragon, noted composer and conductor, who will be given an honorary Master of Music degree by this college, his alma mater.

Commissions will be given to 15 ROTC graduates while 22 AFROTC students will receive commissions and five will be given certificates of achievement.

Twelve graduating seniors will be presented commissions in the U.S. Naval Reserve. These commissions will be conferred by Colonel John E. Rogers, Army; Colonel R. M. Bristol, Air Force, and Commander R. B. Bolt, Navy.

Dr. Roy E. Simpson, state superintendent of public instruction, will deliver the commencement

address which is entitled, "Our State College Program."

Executive Dean James C. De Voss will present the seniors and SJS President John T. Wahlquist will hand them their degrees, credentials and commissions.

Also on the program will be the presentation of the class of 1954's gift to SJS. Senior Class President Bill Hushaw will present the gift to ASB President Art Lund.

The Rev. B. A. Jennings, pastor of the First Missionary church of Van Nuys, Calif., will give the invocation.

DEAN JOE H. WEST

DEAN STANLEY C. BENZ

**Parents Here Tomorrow For First Campus Day**

Parents of graduating seniors will arrive on campus tomorrow afternoon at 2 o'clock to mark the beginning of the first annual Campus Day, according to Donna Harkleroad, chairman.

The afternoon's program, which will last from 2 until 5 o'clock, will commence with a meeting of parents and the heads of the departments in which their sons or daughters have been majoring.

Beginning at 3 p.m., guests will be welcomed in the Music building auditorium by SJS President John T. Wahlquist and Senior Class President Bill Hushaw.

Department heads or their representatives and seniors will be

hosts to the reception which will take place in the Women's gym from 4 p.m. to 5 p.m.

**Traffic Signal System Ready For Summer**

The three pedestrian-automobile traffic signals recently installed on 7th St. between San Fernando and San Carlos Sts., for students crossing between class periods are now in perfect working order, John Amos, director of buildings and grounds, reports.

Amos reported that the signals are connected with the college's bell system, and they only blink "caution" until bells signifying the end of class ring. He pointed out that the signals have not been working this week because there are no class bells during finals week.

The signals will begin regular operation with the first day of summer session classes.

**Senior Council Plans Dinner**

The last official meeting of the Senior class council will be held tonight at 7 o'clock at San Remos restaurant when the governing body will gather informally for a farewell dinner.

Senior class president Bill Hushaw has made it clear that anyone who has served on a class council for this year's graduating group is welcome to join in the festivities. Each person is expected to share expenses.

The cafe is located on Willow street near Almaden Ave.

**Senior Datebook****THURSDAY—**

**Commencement Rehearsal:** Spartan Stadium, 8:30 a.m.  
**Campus Day:** Washington Square, 2 to 5 p.m.  
**Banquet:** Exposition Hall, county fairgrounds, 7 p.m.

**FRIDAY—**

**Commencement:** Spartan Stadium, 4 p.m., seniors report by 3 p.m.

**SJS Student Will Receive Degree Late**

At least one of the 751 students who will receive degrees Friday at Spartan Stadium will be excused from the ceremonies it was learned yesterday.

Eugene Salvador, 28-year-old physical education major, has been granted permission to receive his Bachelor of Arts degree at a later date.

Salvador is still confined to a hospital bed after suffering second and third degree burns in a freak accident at a local packing house June 1. Dr. John W. McLindon, the attending physician, said that Salvador's condition is very good and that bandages have been removed from the right hand and leg.

**Last Daily Today**

Members of the maintenance staff are rushing work on Journalism building washrooms.

For several weeks, the good men have been rebuilding the two laboratories. Now they are rushing to meet the deadline.

They'll never make it. Today is the final edition of the Spartan Daily.

**Seniors Expect Large Crowd At Banquet Tomorrow Night**

Senior Banquet activities will begin tomorrow night at 7 o'clock in Exposition Hall of the Santa Clara County Fairgrounds before a crowd of more than 900 seniors and guests.

Opening tomorrow evening's program will be Senior Class President Bill Hushaw.

Dr. William H. Cowley, Stanford professor of higher education, will be the feature speaker of the evening. His topic will be, "Are Professors Human?"

According to Pat Temple, chair-

man of the banquet, a complete roast beef dinner will be served.

Thirty-five graduating seniors will be awarded Key Club keys by Dr. Winifred Ferris, modern language professor. The Key Club is the SJS equivalent to Phi Beta Kappa.

Tickets, which are free to fee-paying seniors, are available for parents and guests in the Graduate Manager's office for \$3. By yesterday afternoon, 904 Senior Banquet tickets had been picked up.

**Post Shift Warranted By Illness**

Several changes in the make-up of the present administrative staff which will become effective Sept. 1, were announced yesterday by President John T. Wahlquist.

Dr. Wahlquist said that Dr. Raymond M. Mosher will be unable to return to his former position as Dean of Educational Services and Summer Session because of ill health. Dr. Mosher will return to the campus as an administrative assistant. He is presently on leave from the college to serve as acting-president of Eastern Washington College of Education.

Succeeding Dr. Mosher will be Dean Joe H. West, who has been Dean of Students since 1950. Under his new assignment, Dean West will be responsible for the Summer Session, Library, Extension Services and Audio-Visual Educational department.

Dr. William G. Sweeney, who has been Acting-Dean of Educational Services in Dr. Mosher's absence, will return to his former duties as head of the Education department.

To fill the vacancy left by the shift of Dean West to Educational Services, Dean of Men Stanley C. Benz has been appointed Dean of Students. As Dean of Students, Dr. Benz will be in charge of the Admissions and Registrar's offices, student counseling, the Personnel and Health offices and scheduling of classes. President Wahlquist said Dean Benz' successor, who will be called associate guidance or activities officer, will be named later.

The president also announced that Dr. Vernon A. Ouellette, who has been acting-coordinator of extension services for the past year, will return to his former duties as Business Placement officer. A new extension coordinator will be nominated by Dean West later.

When school convenes in the fall, the announcement of the new appointments Dr. Wahlquist said, "I am delighted to make these promotions from the present administrative staff."

DR. RAYMOND M. MOSHER

**Annual Sales To End Today**

Today is the last day to purchase a copy of La Torre, college yearbook, in the Graduate Manager's office, according to the La Torre staff.

Students who have paid a \$3 deposit and have not picked up their copies and paid the \$3 balance will have until June 30 to do so. After that date, all unclaimed copies will be sold.

The 306-page yearbook has a 45 r.p.m. phonograph record.

**To Mail Grades**

Students wishing to have their grades mailed to them must fill out envelopes at the desk at the entrance to the Registrar's office. They will be mailed by the office on June 23.

**Seniors Start First Phases Of Four-Pointed Gift Program**

A four phase, Senior class gift program under the direction of Barbara Hollenberg is in its final stages, according to Bill Hushaw, class president.

The first part of the project was completed Tuesday afternoon at 4 o'clock when a blond oak Wurlitzer electronic organ was installed in Memorial Chapel. The installation was made possible by the Senior class which paid off the balance due to a local music firm. Payments on the organ have been made by several organizations over the past two years.

Part two of the program is scheduled to take place this afternoon when Senior class officers

and class adviser James F. Jacobs will take time off to plant a tree in the quad near the Women's gym.

Next on the list of gifts will be the beginning of the Dean James C. De Voss scholarship fund.

The remainder of the funds will be used to help finance the class reunion in 1964.

**Attention Vets**

Korean vets who want money for the month of June will have to fill out their monthly attendance forms in the Registrar's office before Friday.

## Independence Day 1954

When in the course of human events it becomes necessary for one individual to dissolve the educational bands which have connected him with an institution and to assume among the powers of the earth the separate and equal station to which the laws of nature and of nature's God entitle him, a decent respect to the opinions of mankind requires that he should declare causes which impel him to the separation. There's only one cause—we're being graduated.

Even to those who tuned in late it should be quite evident, after this lengthy and plagiarized introduction, that this is it! We've had it. Like the Arabs, we silently fold our portable typewriter and creep off into the nameless desolation of the 40-hour week. The happiest days of our life are now behind us—it says here in small print.

This isn't at all like it's supposed to be. In his last editorial, the editor is supposed to review the quarter. It's traditional. He's supposed to say we've made mistakes, but we're only human. He's supposed to say this is a lab course in practical journalism, and the kids learn by the mistakes they make. These are the things he's supposed to say, but it hardly seems worth repeating them; they've all been said before.

Instead we'd like to forget about the mistakes. That's all water over the dam. We'd like to think about the good things that have happened this quarter. We'd like to thank a small but hard-working staff for all the cooperation it gave us in turning out a daily paper.

And last, but not least, we'd like to thank our subscribers who support our efforts. You may gripe when we make a mistake in the final exam schedule, but you've proven one thing—you've read it. And that's our reward.

## Seven Receive Scholarships

Seven San Jose State students have been awarded scholarships, according to Dr. E. W. Clements, chairman of the College Service Funds committee.

Scholarships of \$250 each have been presented to two students in the field of general

elementary education. The awards, sponsored by the California Congress of Parents and Teachers, will be given to Karla R. Jones of Sacramento and Merle S. Ostrom of San Francisco.

Gordon W. Stevens of San Jose has been selected as recipient of a \$200 scholarship from the Congress of Parents and Teachers. Stevens is a secondary school education major.

Rita Morrison of Campbell was chosen for the \$150 award sponsored by the Santa Clara Valley chapter of Executives' Secretaries, Inc.

The Delta Kappa Gamma scholarship of \$100 for a student in the elementary teaching program was awarded to Maureen P. Watkins of Glendale. Mrs. Mary DuFort of San Jose will receive \$100 from the Congress of Parents and Teachers to aid her graduate study in education administration.

The Hayward Teachers Assn. award of \$50 for a graduate student in teacher training was given to Mrs. Mildred A. Reden of Redwood City.

## Two Journalism Students Win Separate Scholarship Awards

Two junior journalism majors have been awarded scholarships recently. Gerald Olsen has been awarded the Davis Memorial Scholarship of \$400 in Ventura. Richard Jones, Jr., was named winner of the first annual scholarship of \$100 from the San Jose Newspaper Guild.

Olsen's award is presented every year to a graduating student of Ventura College or a person who has been graduated in the

field of journalism. He plans to continue his studies here next fall. Jones' award was made at the third annual Gridiron Dinner of the San Jose Newspaper Guild.

Jones is the first president of Sigma Delta Chi, journalism fraternity, and will co-edit the Spartan Daily next fall.

## Prof Gets Degree

Roeci G. Pisano, assistant professor of biology, received an Ed. D. at Stanford University on June 13. He joined the San Jose State faculty in 1946.

## Stateside

Compiled by Spartan Daily Staff

### FINALS CRACK-UP

That devil may care feeling which hits the studentbody at the end of school showed up in many places last week.

Example: according to one of his friends, Bob Jolly suddenly got inspired to lead a State yell the other day in the Reserve Book Room. The boys yelled up quite a storm, too, we hear. D.S.

### WHO'S ON FIRST?

In the midst of a busy afternoon, the phone rings for the umpteenth time in the Engineering department office. Automatically the secretary answers and is startled to hear the boss' voice saying, "I'm on this line, Lois." Quickly, with burned fingers, she presses the button of the second extension and answers "Engineering department" again, only to hear the same puzzled voice say, "I'm on this line, too."

By this time the secretary was completely frustrated for this simply can't happen. Explanation: Dr. Smith thought he had dialed Extension 200, but instead had dialed 201, his own department, from Extension 202, also Engineering. L.B.

### LAST BUT NOT LEAST

Busy Spartan Daily Editor Ed Pope has been rushing around all week, jumping between graduation commitments and Daily work. Everything was going smoothly until he came in an hour late for graduation rehearsal Tuesday.

Guess who the last person to receive his diploma will be! D.S.

## Nurses Choose SJS Speaker

Mrs. Rizpah Lindstrom, assistant professor of nursing education, will deliver the graduation address to students of the Santa Clara School of Nursing in the Little Theater, Aug. 20.

Nursing students who have had Mrs. Lindstrom as an instructor during their on-campus training, chose her as their graduation speaker.

## Summer Reg Day Slated June 28

Registration for summer session classes will begin at 7:30 o'clock Monday morning, June 28, in the Men's gym, according to Dean of Summer Session William G. Sweeney.

An estimated 3300 persons are expected to pay the \$5.35 per unit tuition for the first term which will last six weeks.

## Seniors Receive PE-Rec Awards

Mae Stadler, P.E. major, and Marilyn Jensen, recreation major, were presented the Alice Bassler Award at the annual PE-Recreation Majors Breakfast and Alumni reunion last week. The award is presented each year to the outstanding seniors in the college Recreation department.

# Spartan Gridders Plan Opening Practice Drills

San Jose State College Head Football Coach Bob Bronzan is looking ahead to the coming season.

Bronzan's charges will start their fall drills on Sept. 1. A host of veteran backs and linemen will greet the mentor when he and his two assistants, Bill Perry and Gene Menges, open the drills.

Expected to be on hand for the opening sessions are veteran fullbacks Joe Ulm and Dave Fanner. Ulm led the nation in scoring in his first four games before being declared ineligible last season.

Along with Ulm and Fanner, many other veteran backs and rookie standouts are expected to report. Halfback veterans Al Brown, Roy Hiram, Pat Hiram, and Dick O'Neill are expected at the opening drill. Benny Pierce will return at the all-vital quarterback spot.

Elsewhere in the backfield other outstanding rookies will be bidding for starting roles. Darrel Clement, up from last year's fresh-

man team, will be looking for the fullback post in Bronzan's Split-T attack. Halfbacks attempting to break into the starting eleven are Clive Bullian, Bill Beasley, Fred Delgadillo and Melvin Soong.

A veteran line will give the backs protection. Returning guards Stan Galas, Ron Green, Tom Louderback and Tom Powers will strengthen the Spartan forward wall.

Tackles coming back for another spin in the Spartan merry-go-round are Jack Adams, Charles Kaihue, Jon Petersen and Jack Crawford. Center returnees are Dick Fleeger, Jerry Ruse and Tom Yagi.

The flanks will be improved greatly with a total of five veteran ends returning for duty next season. Mervin Lopes, Charles Hardy, Merle Flattley, Clarence Wessman and Leon O'Neill are coming back.

All in all, the three coaches will welcome back 26 veterans and several outstanding junior college stars.

The Spartans will open their season at home against Utah State on Sept. 18. On successive weeks the Golden Raiders will play University of California at Berkeley, Idaho at Moscow, and Arizona State at Tempe before drawing an open date on Oct. 16.

Following the free date, the Spartans play Oregon at Eugene, North Texas State at Denton, College of Pacific at Stockton, Stanford at Palo Alto, Fresno State at Spartan Stadium and the season closer, New Mexico at Spartan Stadium on Nov. 27.

# Drill Team Wins In Two Events

The AFROTC drill team, only eight months old, participated in two competitive events Saturday and won a first and a second place award.

It was the second place award that the group is especially proud of.

In Veterans' of Foreign Wars competition at Gilroy Saturday evening they came within a hair-breadth of out-pointing the Half Moon Bay Spanishtown Dons, according to Stu Grannis, drill manager.

The SJS squad garnered 96.5 points in the event. The National award winning, internationally famous Dons totaled 98.5 points to win the contest.

Earlier in the day the SJS Arnold Air Society drill team won a first place in the Saratoga Festival.

These were the second and third events that the team had participated in since it's founding, according to Grannis.

Drill master for the group is Don Westbrook.

The second place at Gilroy won the AFROTC team a \$25 cash award. Grannis said that the team plans to buy a trophy with the money.

The squad is making big plans

for next year when a near veteran team will return. Of the 24 men participating only two graduate Friday—Westbrook and Grannis.

Newly-elected drill masser is Tony Cook. Joe Vallenari will manager the squad next year, according to Grannis.

Membership on the team is strictly voluntary. Drill practice sessions were held at 7:30 a.m. Tuesdays and Thursdays last quarter. The ranks of the squad are open to any member of State's AFROTC unit.

M/Sgt. Vincent W. Staniszewski is adviser. Maj. Wm. L. Wetsel is officer in charge.

## Music Course To Be Offered Fall Quarter

"A Survey of Music Literature," Music 118A, a course designed to broaden the musical background of SJS students, will be offered again fall quarter, according to Gibson W. Walters, associate professor of music.

All music heard in this class is played by Music department faculty and students. Guest artists from the surrounding area also perform representative compositions, Walters said.

The first quarter of the year course is on 18th century music, while winter quarter covers 19th century music. The spring quarter is devoted to 20th century music.

The class meets every Tuesday and Thursday at 11:30 a.m. in the Concert Hall. All programs heard by the class are open to students.

Walters noted that the class has no prerequisites and no prior music experience is necessary.

## Business Prof Will Aid Drive

Dr. Milburn D. Wright, professor of business, learned recently that he will serve as vice chairman of the 1954-55 Red Feather campaign.

He will be in charge of school and college solicitation in city, public and parochial schools, in county schools in the San Jose chest area, SJS, and San Jose Junior college, according to V. L. Kennedy, general campaign chairman.

Dr. Wright stated that the schools have been very cooperative in the past and that he expects the same cooperation this year.

Last year Dr. Wright headed the SJS division of the Red Feather Crusade, as well as working on the Community Chest drive.

## Drama Presents Sohigian Award

Mary Campbell, junior drama major, was awarded the Sohigian Acting award recently for "outstanding acting during the year," according to the Speech and Drama office.

The award was a \$50 government bond.

## Large Audiences

More than 1500 people viewed six performances of the Theban Cycle by Sophocles, according to the Speech and Drama department.

## Channel KQED To Broadcast Second Series

"Here is the Past" and "Understanding the Child," the second in a film series on Channel 9 (KQED), will be broadcast tomorrow night.

"Here Is the Past" will be on the air from 7 to 7:30 p.m. It is a 13-week series introducing the layman to the field of archeology.

The purpose of the program is to give the audience the simple rules by which they can understand, appraise and even take part in the ceaseless succession of archeological discoveries. The film series is produced by New York University.

"Understanding the Child" will be on the air from 7:30 to 8 p.m. This is a seven-week film series designed to aid parents by making them familiar with growth patterns of their children. They are also intended to indicate a constructive philosophy of child care based on love, understanding, and patience.

Instructor for the program is Willard C. Olson, dean of the College of Education at the University of Michigan.

## Play Director Tells Date for Tryouts

Tryouts for the summer session dramatic production, "Harvey," will be held Tuesday, June 29 at 7 p.m. in the Little Theater.

Students registered in summer session are eligible to be in the play, according to Miss Elizabeth Loeffler, who will direct it.

Presentation dates are July 29 and 30.

Dealing with the creation of a fanciful mind, the story presents the life of a man who creates for himself an imaginary rabbit of human size.

## New Doctor

Arden K. Ruddell, of the Education department, recently received his Doctor's degree from Stanford University, according to Mrs. Ann Fabrizio, secretary.

## Building Delay May Postpone Faculty Production of Hamlet

Shakespeare's Hamlet, which is scheduled to be the first production of the Speech and Drama department next fall, will be presented then only if the new building is completed, according to the Speech and Drama office.

The department may postpone it until later in the year when it can be presented in the new theater.

Directed by Hugh Gillis, head of the department, it will feature Dr. James Clancy as Hamlet, Elizabeth Loeffler as Queen Gertrude, John Kerr as King Claudius and Wesley Goddard as Polonius.

## Department Plans Autumn Barbecue

The Industrial Arts department fall quarter barbecue probably will be held the second week of school, according to Derward Burbank, assistant professor of industrial arts.

Burbank said that work already had begun on the barbecue which is expected to be a get-acquainted affair. He also noted that Epsilon Pi Tau, national honor society of IA majors, is planning several summer meetings.
